THE IRIS GARDEN

DOROTHY STONER

MERRIAM, KANSAS

1945

This is a cheerful year both for gardening and living. However, various shortages still beset us so that I must ask your indulgence in case delays in delivery occur. I like to ship northern or eastern orders in late June or July, local orders in August and southern orders in September or even October, because those are best planting times for the several climates. Of course the west coast, for the most part, can plant any time. So, if you leave it to me, those are the approximate times of delivery. But I try to fit my schedules to your needs so if special dates are imperative or impossible because of vacations, let me know.

Terms of Sale

Guarantee—My plants are guaranteed to be true to name, and vigorous and healthy when you receive them. If not satisfactory, return them immediately upon receipt. Your money will be cheerfully refunded. No adjustment can be made on stock not returned at once.

Stock—Daily shipments are made of plants freshly dug from my own garden. These plants are acclimated to dry summers and changeable winters and should be vigorous and hardy anywhere.

No Substitutions—No substitutions are made unless requested by the customer. If a variety is sold out, your money is refunded immediately. No requested substitutions can be made in collections.

Terms—Cash with order. No C. O. D. orders accepted. Kansas customers will please add 2% sales tax. No order accepted for less than \$2.00. Postage and express prepaid on all orders.

Discount—A 10% discount will be allowed on all orders, except collections, received and paid for before June 20th.

Shipping Dates—Shipping will begin June 25th and will continue until late autumn.
